

Massachusetts Health Professionals *for Group 2*

Jack Morris

Massachusetts Public Retirement System consists of 4 groups of employees:

Groups outlined in MGL 32 Section 3

- Group 1: Administrative and Clerical
- Group 2: Multiple types of employees that are not administrative or clerical
- Group 3: Massachusetts State Police
- Group 4: All other police, fire, EMS personnel

Formulas for Calculating Benefits

The maximum benefit that can be received is 80% of your highest average of three years annual salary

For newer employees: You can receive 80% of your highest average of 5 years annual salary

Service Years and Age Requirements

- **Group 1:** Administrative and Clerical
 - 32 years of service combined with age 65
- **Group 2:** Multiple types of employees that are not administrative or clerical
 - 32 years of service combined with age 60
- **Group 3:** Massachusetts State Police
 - 32 years of service combined with age 55
- **Group 4:** All other police, fire, EMS personnel
 - 32 years of service combined with age 55

Thank You!

Two quotes to leave you with:

1. Minutes may seem as worthless as pennies until you add them up. Neither should be wasted.
2. There's never enough time to do all the nothing you want.
